Grace Period

1. Notwithstanding the provisions of the Module [FB15/+], where we notify you a reduction or cancellation of a credit limit, an @rating or an ECL, then the reduction or cancellation will not become effective for any deliveries carried out within a period of [X] days from the date of our notice of reduction or [X] days from the date of our notice of cancellation (“the Grace Period”) except if at the date of transfer of the debt you have an overdue account exceeding 60 days from the due date or an adverse information or the concerned buyer is insolvent
2. It is expressly agreed that the expiry of temporary credit limits set by us with fixed expiry dates shall not be considered as a reduction or cancellation opening right to the application of a Grace Period. In case of reduction or cancellation of a temporary credit limit before its expiration date, the Grace Period will apply as provided in this clause within the time limit of the expiration date of the reduced or cancelled temporary credit limit.
3. In case of a cancellation following a reduction of credit limits, @ratings or ECL, the cancellation prevails and automatically cancels the credit limits, @ratings or ECL at its date of effect for any ongoing Grace Period.
4. In the event where you request a credit limit, an @rating or an ECL during a Grace Period, our new decision will become effective immediately solely if this new decision grants you an amount higher than the amount remaining in effect during the Grace Period, otherwise the new decision will become effective after the Grace Period expires.
5. If your contract includes a module by which we maintain the cover in case of reduction or cancellation, only one provision will apply - either the module or the Grace Period according to your choice
6. It is expressly stated that the debts transferred during the Grace Period are subject to the obligation of turnover/outstanding declaration.
