COLLECTION MODULE

COLLECTION SERVICES BY THE INSURED

- 1 - Your **notification of overdue account** for **debts** must be made within the *time limit* specified in the schedule. You will take all measures - in agreement with us or according to our instructions - as may be deemed necessary to protect your rights and to secure the payment of the **debt**, which may imply reselling the goods.
- 2 - For the purpose of claim payment in case of **default** you will send us - within the *time limit* specified in the schedule- a **notification of overdue account** and you will entrust the collection to one of the *collection agencies* specified in the schedule. You will notify us about that at the same time.
- 3 - As soon as you know about it, you must notify us any **recovery** or, as the case may be, the **insolvency** of your buyer.
- 4 - As soon as there is occurrence of loss you must send us upon our request any written evidence of the **debt**, of the **securities** you may have obtained and of your collection actions.
- 5 - You will bear the full costs of the pre-legal and legal collection actions.
