### MODULE

#### FB24.02(A) RISK MODULE EXTENSION OF THE CONTRACT TO ONE OR MORE COMPANIES

Cover is extended to the **sales contracts** entered into by the additional companies, hereafter referred to as “ extended party ”, which are specified in the Schedule, as described below:

- 1 - We understand and recognise that the *extended party* carries on the same business activity as the one described in the Schedule.
- 2 - You will remain solely responsible for the operation of this contract just as if you were the only beneficiary, in particular for the maximum outstanding balance covered, the obligations of declaration and the payment of premiums and handling fees, and more generally of any amounts owed to us.
- 3 - We shall not exercise any actions ourselves against the buyers.

Upon receipt of your **notification** of **overdue account**, we shall notify you of the name of the agent the *extended party* will have to entrust – within 30 days of our **notification** – with the task of recovering the transferred **debt**.

The waiting period provided for in this contract is applicable to any transferred **debt** so declared and shall run as from the receipt by us of this **notification**.

The *extended party* shall advance the expense and fees of the said agent in local currency. We shall pay for these expenses according to the provisions provided for in this contract. You undertake to send us a copy of the letter by which the *extended party* will have empowered the agent to act and to keep us regularly informed of the progress of the amicable arrangements and possibly legal actions undertaken against the buyer or any third parties, and shall be liable for having the *extended party* comply with the decisions we may take concerning the recovery of an insured transferred **debt**.

- 4 – You undertake to keep confidential the contents of the present extension, as well as the contents of the credit limits granted on the *extended party*’s buyers, and the information on any action we may initiate, and not to disclose them to any third party that is not noted in this contract.

For the persons who are noted in this contract, namely the *extended party* itself, you undertake that they will keep them confidential. You shall be considered liable for any financial consequences due to any non-compliance with this requirement.

- 5 - In the event that a buyer owes you and an *extended party*, the total outstanding balance so owing shall not exceed the credit limit granted by us.
- 6 - The claim payments will be made to you or to any loss payee, even if they fully or partly concern the losses sustained by an *extended party*.
- 7 - Any **recoveries** received by the *extended party* after payment of a claim, shall be treated as recoveries received by you or your **customer**.
- 8 - If the *extended party* has been declared **insolvent**, you must inform us as soon as you or your **customer** become aware of such **insolvency**. In any case, the extension of this contract will cease to apply to this *extended party* on the date of occurrence of the event in question.
