BONUS

In relation to an *insurance period* for which the premium has been paid in full, We shall pay You a bonus in accordance with what follows.

1. The amount of the bonus shall be calculated by applying the relevant percentage – which depends on your loss ratio as shown in the table below – to the premium paid for the *insurance period*, provided that the premium paid for the *insurance period* after deduction of the bonus exceeds the *minimum premium*.

Loss ratio	Bonus (%applicable to the premium paid)
0% - [X%]	[A%]
[X%] - [Y%]	[B%]
[Y%] - [Z%]	[C%]

The loss ratio is the ratio where:

- the numerator is the total amount of indemnity paid or to be paid with respect to **Deliveries** made during the *insurance period*, less the **Recoveries** related to such **Deliveries** and received before the bonus is paid.
- the denominator is the premium amount paid for the *insurance period*.

If there is an indemnity for **Collection Expenses** but the **Debt** has been paid in full before indemnification by Us, We shall not take into account the indemnity for **Collection Expenses** in the calculation of the bonus.

2. The payment of the bonus shall be subject to this **Contract** remaining in force for a further *insurance period*.

3. In order to receive the payment of the bonus You must, within [x months] from the last day of the *insurance period*, request from Us in writing the payment of the bonus and submit to Us a waiver whereby You waive your rights to payment of any subsequent indemnities relating to the *insurance period*.
