Group Minimum Premium

Notwithstanding the provisions stated in the Module F[X], it is agreed that if the premium calculated by applying the premium rate to the amount declared in your activity declaration does not reach the *minimum premium*, the lack of premium to reach the *minimum premium* will be compensated totally or partially by premium paid in excess of the *minimum premium* by the contract [Policy A], [Policy B], [Policy C] on a prorata basis.

If ever applying the excess of premium of the listed above contract(s), the *minimum premium* is still not reached, you will pay the difference to reach payment of the *minimum premium* as provided in the article 5 /9.1 of the General Provisions.
